

Master Gardener Rechargeable Cart Sprayer

This Master Gardener Rechargeable Cart Sprayer is a versatile multi-use sprayer that offers a spray width of up to 50in. with its front mounted broadcast nozzle. The powerful sprayer delivers up to a 15-ft. vertical and a 20-ft. horizontal spray with 18in. handgun. Rolls on heavy-duty 12in. wheels and can be pushed, pulled or attached to a tractor with the included hitch. Works as a spot or broadcast sprayer and is glyphosate compatible; also ideal for liquid fertilizer. Includes a rechargeable 12V battery that provides 2 hour runtime, along with a 34 Litre chemical resistant tank and 3.7 LPM pump with Viton® seals.

Total dimensions are 610mm.L x 480mm.W x 610mm.H.

NorthStar Tow-Behind Sprayers With Boom

The versatile, high-end NorthStar® Tow-Behind Boom Broadcast and Spot Sprayer gives you the ability to do both precision and wide-coverage spraying. Equipped with a commercial-grade NorthStar NSQ Series pump, it provides easier priming, exceptional durability and superior resistance to harsh environments and corrosive chemicals. The completely redesigned, over-sized tank is secured to a heavy-duty 100% steel cart that handles the roughest terrain. A retractable tow-bar, foldable boom arms and removable axle and wheels allow for ultra-compact storage. Gallon marks are molded into the tank for easy fluid level monitoring. Tow behind your ATV or lawn/garden tractor.
